2015 SAH INTERNATIONAL TRAVEL GRANTS

The Society of Architectural Historians is accepting applications for the 2015 SAH International Travel Grant Program. Generously funded by a grant from the Getty Foundation, the program provides support to scholars from countries that have traditionally been underrepresented at the SAH Annual Conference to attend the 68th Annual Conference in Chicago, April 15–19, 2015.

PURPOSE

The aim of the new program is to bring international academics, museum professionals and heritage conservationists who work primarily on the history of the built environment to the SAH conference. SAH hopes to help them build upon their international professional networks. SAH will award between 12 and 15 fellowships to practicing historians of the built environment in late 2014.

The award covers the following:

- Travel expenses to and from the SAH 2015 Annual Conference (sah.org/2015)
- Hotel accommodations
- A per diem
- Conference registration
- Two years of membership in SAH
