Reader's Advisory

Artlibraries.net (www.artlibraries.net), formerly the VKK, is an international specialized meta catalogue allowing the integrated retrieval of bibliographic records. It currently gives access to more than 12 million records, including a high percentage of records for articles in periodicals, conference papers, festschriften, exhibition catalogues and exhibition books, etc., and an increasing percentage of records for archival and photographic materials as well as for online resources. The project is supported by an international working community of over 100 art libraries from 14 countries.
