### Reader's Advisory:

Now available online in digital form: A student publication by Charles Rennie Mackintosh and his contemporaries at the Glasgow School of Art is now available online via VADS at:

<http://www.vads.ac.uk/collections/GSAMAG>. The Magazine is an illustrated handwritten journal which was circulated among a group of friends who were associated with the Glasgow School of Art in the early 1890s, including Charles Rennie Mackintosh, his future wife Margaret Macdonald and her sister Frances. Its four volumes contain 33 textual pieces of which 14 are poems, and 104 illustrations ranging from pen and ink drawings, to watercolours, photographs, photogravures and etchings, many produced by significant artists at the beginning of their careers.

A dedicated website is also available for The Magazine at <http://www.gsathemagazine.net>.
