Reader's Advisory

The catalog of the Library at the National Gallery in London is now online at library.nationalgallery.org.uk.

The online catalog also contains records for almost all the 2,000 or so volumes in the unique and historic founding Eastlake Library, which came to the National Gallery in 1870, having been assembled as a research library by its first Director, Sir Charles Eastlake (1793–1865). You can read more about the Eastlake Library [here](#).
