Without a doubt, Google has changed how we begin our research. But is it *all* good? Read "[How Google Scrambled the Academic Mind](#)." Experts once organized knowledge. Now search engines do. The result? Anarchy. By Timothy Messer-Kruse in the Chronicle of Higher Education, May 29, 2019.

The 2019 Chicago Architecture Biennial runs from September 23, 2019, through January 5, 2020. This year's theme is *...and other such stories* with the goal being to present "multiple narratives from different geographies and histories" and spark conversation about creating a future for architecture that is "shared, diverse, sustainable, inclusive, and equitable."
