### Reader's Advisory: Image Rights & Reuse

The Archives of American Art continues to add important new content. The **U. S. General Services Administration, Design Excellence and Arts Oral History Project [interview archive is available online](#)**. This is a focused oral history initiative of interviews with twenty artists who produced major works of art for the Fine Arts or Art in Architecture program of the U.S. General Services Administration. For more information and content, please follow the [Archives of American Art Blog](#) and subscribe to [their newsletter](#).
