Guidelines for Session Chairs

To ensure broad participation in the SAH Annual International Conference, SAH has developed the following participation policies:

--An individual may serve as a Session Chair or a Speaker, but not both.

--Chairs and speakers may also add one (and only one) of the following roles: Saturday seminar panelist, evening lecturer, or tour leader.

--Graduate students may submit one paper proposal per year. This single proposal may be submitted to one of the following: the Graduate Student Lighting Talks (GSLTs), a thematic session, or an open session.

--To allow for more time for paper presentations, there are no respondents or discussants in SAH sessions.

--Each Speaker and Session Chair must register and establish membership in SAH for 2024 by September 30, 2023, to show their commitment to attend the conference the following April and are required to pay a non-refundable fee. If a Speaker does not register by September 30, the Session Chair notifies the Speaker that their paper has been dropped and contacts an alternate Speaker. The alternate Speaker has 5 days to register, edit and resubmit their abstract.

--Please note: Each Speaker and Session Chair is expected to fund their own travel and expenses to Albuquerque.

Session Chairs, please remind selected Speakers that:

--During registration, SAH membership must extend through the conference dates.

--Session Chairs and Speakers applying for a SAH travel fellowship (a limited number available to Session Chairs and Speakers) must submit a separate online fellowship application form https://www.sah.org/jobs-and-careers/sah-fellowships-and-grants/annual-conference-fellowships in addition to their registration and membership. They do not need to select the specific fellowship as that will be determined by the committee.
--The Session Chair or an appointed Speaker will be responsible for supplying the laptop for their respective session. SAH is not able to provide laptops for each session. In addition, please work with your Speakers so that all presentations are saved to the one shared laptop. If using a Mac, be sure to bring an adapter to connect to the LCD.

--Speakers are required to submit a copy of their final paper to SAH to be kept on file. This is an AIA/CES requirement and is part of the Terms and Conditions to present work at the SAH Annual Conference. In the event of an education audit by AIA, SAH needs to be able to prove that the presentation exists and was presented by the author. Speakers must submit a copy of their presentation and paper to the SAH office either on a USB drive or other electronic means. The content will not be shared with anyone, nor will any portion of the presentation be published or presented in any format or manner—it is solely for record-keeping purposes.

Schedule

Please reserve Thursday (April 18), Friday (April 19), and Saturday morning (April 20) in your calendar. We cannot guarantee when your session will take place within those three days.

28 March 2023: Call for Papers announced on the SAH website and in the April SAH Newsletter. Abstracts must be submitted through the online portal. Applicants will also submit their CV through the online portal. If an abstract is submitted via email, Session Chairs must advise the submitter to use the online program. Assistance by the SAH office will be available.

6 June 2023: Submission of abstracts (Call for Papers proposals) to the online abstract submissions program closes at 11:59 p.m. CDT.

9 June 2023: Sessions Chairs begin reviewing abstracts. Chairs must ensure the paper has not been published or previously presented (at least not to a large audience) and verify Speaker affiliation and credentials.

16 June 2023: If you have not received enough abstract submissions and/or are concerned with the quality of the submissions and feel you may not have 4-5 papers for your session please notify us.

Session Chairs will send the General Chair and the SAH office their list of Speakers, a minimum of 4 and a maximum of 5 papers, in the order of presentation. Sessions Chairs should notify Speakers whose papers are accepted and confirm their intention and ability to attend the conference.

The Session Chair discusses with prospective Speakers their commitment level and their financial ability to attend the conference. If you have doubts regarding a Speaker’s attendance at the conference, you should not accept their paper. The Speaker and Session Chair registration fee is non-refundable.

SAH policy requires that the author (and co-author, if applicable) present their paper in person. Co-authors who do not present in person at the conference will not be included in the official listing found in the JSAH, nor will they be listed in the program book.

2 August 2023: By this date all authors who submitted to your session should be notified by the Session Chairs(s) regarding the status of their paper. Suggested text to be included in your message will be sent in July.

Additional Guidelines
Know and adhere to the deadlines given in the schedule and be prepared to frequently contact your Speakers to remind them of their own deadlines and obligations. The Session Chair and Speaker Agreement will clearly explain that selected Speakers are expected to attend the conference regardless of whether the SAH is able to provide travel funds.

Although SAH has an impressive roster of travel fellowships, the Society cannot cover all the costs of attending the Annual Conference. Speakers and Session Chairs are expected to pursue their own institutional or other support for travel. If a fellowship is awarded, expenses are reimbursed at
the end of the conference, when proper documentation has been provided to the SAH office (deadline 17 May 2024).

During the Call for Papers process you may solicit abstract proposals, i.e., encourage individuals to submit proposals, but all proposals, solicited and unsolicited, should be evaluated equally.

Be prepared to introduce your session, introduce individual Speakers and generally moderate your session. Make sure the session Speakers exchange their papers with each other in advance of the session. Be prepared to prompt audience discussion with questions of your own and be prepared to guide that discussion. Do not hesitate to ask Speakers to step down if they have exceeded their time limit. Be firm and constant about timekeeping to be fair to all Speakers.

In your introduction, ask that attendees refrain from taking photographs of the presentation screen during the session in order to respect copyright laws.

Session Chairs and Speakers are encouraged to meet at the complimentary breakfast on the morning of their session.

In the event of a last-minute emergency cancellation, sessions will be presented without changing the schedule. Empty slots will be filled with discussion. This requirement allows attendees to move freely from session to session.

**Policy on non-member Speakers at the Annual Conference**

Any person, member and non-member, may respond to the Call for Papers. As SAH is a membership-based, non-profit organization, membership in SAH is required when a Session Chair and Speaker. With approval of the General Chair and in conversation with the SAH Executive Director, Session Chairs may request a membership waiver for non-members whose major work falls outside the discipline of architectural history and related fields, and who have been especially solicited to deliver a paper. Such cases are exceptional, such as when participation will make an important and otherwise unattainable contribution to the session.

**Session Format**

Sessions are two hours, ten minutes in length.

Sessions present a minimum of 4 to a maximum of 5 papers, followed by discussion, depending upon a session's intended scope and the range of proposed papers received. In every case, the Session Chair must maintain competitive standards of excellence in accepting papers and refuse the temptation to pad a session with marginal submissions. In the event that you have emergency cancellations, a session is viable with 3 Speakers.

Sessions include a five-minute introduction by the Session Chair, 19-minute paper presentations by Speakers, and audience questions and discussion, moderated by the Session Chair. A typical morning schedule would be:

<table>
<thead>
<tr>
<th>Time</th>
<th>Event Description</th>

9:55  Q&A/Discussion
10:40  Closure of Session

It is important that the session begin as noted in the program and end so that the next paper may begin as noted in the program.

Session Chairs determine the order of speakers at the time they accept paper proposals so that they can clearly communicate the schedule and word count to their Speakers before the Speakers have drafted their papers. Once the session schedule has been submitted to the SAH office and to the General Chair for publication in the Annual Conference program, they cannot be changed.

Cancellations & Dropouts
In the event of a last-minute emergency cancellation, sessions will be presented without changing the timing of the schedule. Empty slots will be filled with discussion. This requirement allows attendees to move freely from session to session.

Volunteering at the Conference
As a Session Chair you are eligible to volunteer during the conference. If you work 6+ hours, you will be eligible to receive a 50% reimbursement on your basic registration. Working as a Session Chair is not covered under the 6+ hours. You will be contacted by SAH Director of Membership in February 2024 with the volunteer opportunities available.
