1	When you searching Asian American architects what do you consider as "significant" works? Do they need to be affiliated with traditional recognized design firms or associate with certain design styles? And was there any specific Asian American styles that they have helped created that you will consider "significant."	Suellen Cheng	Great questions for our panelists!	3/10/2023 15:03	3/10/2023 15:11	Sean McPherson
2	Related to credits, will significant consultants to architectural projects be recognized? E.g. structural, acoustical, lighting and so on.....	Glenn Sweitzer	Yes - this is a major point- architecture is a collaborative practice!	3/10/2023 15:05	3/10/2023 15:13	Sean McPherson
