

10:22:18 From Anat Geva to Hosts and panelists: can we see the speaker on the side of her screen?

11:17:44 From xuanlin liu to Hosts and panelists: An interesting paradox here: professor said the modern architect trained as 'space masters' which is not respect to the traditions. However, the traditional ideas emphasis the space...hummm, could the professor elaborate the difference of understanding the space between Chinese tradition and western?
